IF YOU'VE a good Catholic girl amongst family or friends who like their Riesling, surprise them this Christmas with a bottle under the tree of the wonderfully-named Good Catholic Girl 2010 Teresa Clare Riesling.

This you-beaut drop is full of mouth-watering zesty lemon, ripe apple and creamy tropical fruit flavours, making it a delight with the Christmas or Boxing Day prawns and oysters. And remarkably even though only 600 dozen bottles were made, its just \$25, which is a real bargain.
